## Product Specification

|                              |           |
|------------------------------|-----------|
| Capacity (ton)               | 50        |
| Stroke (mm)                  | 200       |
| Horizontal working area (mm) | 730       |
| Vertical working area (mm)   | 68 - 1048 |

|                        |             |
|------------------------|-------------|
| Y Working speed (mm/s) | 1,2         |
| Air pressure (Mpa)     | 0,75 - 0,85 |
| Air inlet (NPT)        | 1/4         |
| Length (mm)            | 1030        |
| Width (mm)             | 800         |
| Height (mm)            | 1904        |
| Net weight (kg)        | 310         |
